

sojournerhouse
where we share the journey

A Sojourner is a person on a journey, on a trek and the way I see it we are all on a journey. Sometimes you get to the point where you feel all alone on that journey, when there are people all around willing to help. The Sojourner House is a place where a traveler can get his things together, make plans, get much needed rest, much needed food, much needed warmth and move on...and hopefully move up.

Larry - Sojourner House Coalition Member & Formerly Homeless

Dear Friends,

For the most part, we live in a society of extraordinary wealth, and we are extraordinarily blessed. However, there are many among us who are most vulnerable, whose lives are on the fringe of society; lives that witness poverty, mental illness, hunger, and displacement. Sojourner House is a safe haven, a place of refuge for those who would otherwise not have a place to sleep, to shower, clean their clothes, and have breakfast. A coalition of many churches, community organizations, and people of goodwill has partnered to provide this vital resource for the Chippewa Valley. Catholic Charities is pleased to have worked with this coalition and will serve as the lead agency and owner of Sojourner House.

How Can You Be Part of this Community Partnership? Become a Member of the "Buck a Night" Club!

By joining the "Buck-a-Night" Club, your "buck" will help provide:

A warm place for a sojourner to sleep

A hot shower and laundry facilities

A place to gather and feel a sense of community

An evening snack and a nutritious breakfast

Internet and computers to keep in touch with families and potential job searches

Caring staff members to help make community referrals and offer hope to those in need

Please consider what one dollar a day can provide and join us in this journey !

I would like to "share the journey" and join the Sojourner House "BUCK-A-NIGHT" Club!
